## Placement Tests (Levels 1, 3, 5, 7, 9, 11)

Placement tests are optional and available for schools that would like to evaluate each student's language abilities to help determine their placement at the recommended level before starting the program.

---

## Level Tests (Levels 1 to 6)

Level tests are to be completed at the end of each level. They are optional and available for schools that would like to evaluate a student's understanding and progress in the English program. These tests help make sure the student has mastered the key concepts and skills of the current level before advancing to the next level.

Please note the level tests for levels 7 to 12 are included in the student's workbook, and they are expected to be completed.
